	This response describes the museum collections which are held by the NRAs related organizations and curated by NRA employees The NRA Museums promote gun collecting and preservation of history through the heritage of firearms The NRA Museums include the National Firearms Museum in Fairfax, Virginia the Frank Brownell Museum of the Southwest in Raton, New Mexico and the NRA National Sporting Arms Museum at Bass Pro Shops in Springfield, Missouri To make the NRA Museums the finest possible resources for the public, the NRA and its affiliated charities rely on generous supporters to build the exhibition and research collections through contributions of historically significant firearms. As individuals grow older and make plans for their loved ones and special treasures, all firearms owners must eventually answer the question, What will happen to my guns when I am gone For many NRA members and other supporters, their answer is the NRA. Please visit NRA museums org for exciting current information on the museum galleries, and please visit NRAgive com to consider your legacy of supporting the liberties that built this country

V 4	This response describes the intended uses of the organizations endowment funds. The endowment funds of the NRA benefit a diverse range of philanthropic interests, including training in marksmanship, national shooting championships, womens leadership, hunters leadership, recreational shooting, law enforcement, NRA Museums, and the National Endowment for the Protection of the Second Amendment
X 12	This informational note provides context for the derivative financial instrument disclosed as a liability Interest rate swaps are entered into to manage interest rate risks associated with the NRA's borrowing, and interest rate swaps are accounted for in accordance with FASB ASC 815. The NRA's interest rate swap is recorded in the balance sheet at fair value with fair value changes recorded as unrealized gain on derivative instrument.
X 14	This informational note regards the NRAs taxes The NRA is a substantial taxpayer and remains in good standing with the tax authorities. For instance, in 2015, the NRA paid over 3,700,000 in state and local taxes, including sales and use taxes, real estate and personal property taxes, amusement taxes, and state unemployment taxes. The liability shown on Schedule D, Part X of 259,220 for accrued sales and use taxes relates to timing and is a small fraction of taxes paid during the year Additional informational notes regarding the NRAs taxes are shared on Schedule C regarding proxy taxes and Schedule O regarding unrelated business income taxes. The NRA chooses to share all of this extra information about the NRAs total taxes, above and beyond 990 instructions and regulatory requirements, in order to demonstrate in good faith that the organization is a taxpayer in good standing.
x 2	This response provides the text of the footnote to the organizations financial statements in accordance with FASB ASC 740 Management evaluated the NRAs tax positions and concluded that the NRA had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance Generally, the NRA is no longer subject to income tax examinations by the US federal, state, or local tax authorities for years before 2012, which is the standard statute of limitations lookback period
XI 2d	This response explains 1,757,169 in the reconcilation of revenue from the audited financial statements to the revenue as stated on 990. The figure includes 1,041,579 agency transactions between the NRA and NRA Foundation and 715,590 unrealized gain on derivative instrument. The agency transactions figure of 1,041,579 includes endowment contributions and endowment earnings designated by NRA Foundation donors for eligible NRA programs. An informational note describing the purpose of the derivative instrument is included with Schedule D, Part X, line 12.
XI 4b	This response explains 9,099,817 in the reconcilation of revenue from the audited financial statements to the revenue as stated on 990 The figure includes 7,133,931 cost of goods sold, 2,045,386 rental expense, less 79,500 offset, which were reported as expenses on the audited financial statements

XII 4b	This response explains 79,500 in the reconcilation of expenses from the audited financial statements to the expenses as stated on 990 The figure is the amount of interest on endowment grants

	The NRA takes a full transparency posture for executive compensation. This comment provides context for the 457b and 457f plans and explains the two 457f payouts that occurred during 2015. The NRA has an executive 457b deferred compensation retirement plan for the benefit of certain employees. It is employee funded, not employer funded. The NRA also has a nonqualified 457f supplemental income retirement plan for the benefit of certain executives. The NRA decides the benefit amount and timeframe for vesting of each participant. Service costs included in deferred compensation are actuarially determined under FASB ASC 715. The 457f plan is designed to supplement the current tax qualified defined benefit pension plan where current limitations on benefits and employer contributions may be inadequate, and an employer-sponsored supplemental income plan can best provide these select employees with the appropriate amount of income continuation in the specific desired circumstances. During 2015, Chris W. Cox vested in 457f plan participation after reaching a scheduled milestone and received a taxable payout of 585,298. Mr. Coxs payment was his first payment from the 457f deferred compensation plan, and it occurred after 20 years of continuous service to the organization. During 2015, Mr. LaPierres one-time payment was his first and will be his only payout from the 457f deferred compensation plan, and it occurred after compensation plan, and it occurred to compensation plan, and it deferred compensation plan, and it deferred compensation plan, and it deferred compensation plan, and it deferred compensation plan, and it deferred compensation plan, and it occurred after 20 years of continuous service to the organization. During 2015, the chief executive Wayne LaPierre vested in 457f plan participation after reaching a scheduled milestone and received a taxable payout of 3,767,345. Mr. LaPierres one-time payment was his first and will be his only payout from the 457f deferred compensation plan, and it occurred after 36 years								
Part II	Column Biii Other reportable compensation in taxable wages includes 457b, fringe auto, group life insurance benefits, and 457f payout if applicable Column C represents benefits that will not be paid until the future and includes the employer paid portions of the NRA defined benefit pension plan, 401k plan, and 457f plan if applicable. The NRA takes a full transparency posture for executive compensation.

Form 990, Part I, Line 1	The NRA is a 501c4 membership association with four 501c3 public charities and a Section 527 political action committee, which is a separate segregated fund. The four charities affiliated with the NRA are NRA Civil Rights Defense Fund, NRA Foundation Inc, NRA Freedom Action Foundation, and NRA Special Contribution Fund DBA NRA Whittington Center. The political action committee is the NRA Political Victory Fund. See Schedule R, Part II. During 2015, NRA annual membership dues were 35 with promotional discounts to 25. In late 2015, the NRA announced a dues increase from 35 to 40 which would take effect in early 2016, representing the first NRA dues increase in more than twienty years. Individuals who would like to reduce the volume of solicitations they receive from the NRA can contact NRA Member Services and request to be placed on the Do Not Promote list. This simple step will significantly reduce the amount of contact received from the NRA without affecting magazine service, Board of Directors ballot, membership renew al, or other vital mail.
